# In Memory

## Bob Rorabaugh, Melanie Roland & Roger Young

This past year we lost some folks that contributed behind the scenes to make sure that the Harmony Grange Fair could continue operating and providing the community that once a year homecoming.

**Bob Rorabaugh**

Bob Rorabaugh was one of the brothers that owned and operated Rorabaugh Lumber company of Burnside. Every year Bob would make a point of telling me to make a list of lumber we were going to need for that year's project. Then as the brothers approached retirement Bob would tell us to be sure and stock up for foreseeable projects because they would no longer be in business. Bob never wanted any recognition for the mill's contributions to the fair. He just wanted to contribute in the way that their business could support the fair. However, for the 2022 fair we named the Rorabaugh brothers, Bob, Dan and Roger as Friends of the Fair. Since they were retired Bob couldn't refuse the recognition that they greatly deserved. Bob contributed to so many organizations in the timber and lumber industry as well, serving on many boards both in leadership positions but in advisory positions as well. We thank Bob for all he did to make the Harmony Fair and the world a better place.

**Melanie Roland**

Melanie Roland worked in the fair office before we computerized the premium system. She along with the other women, one being her mom, didn't get to see much of the fair each year as they hand

wrote all of the entries and results of the judging! When we had around 3 thousand exhibits it took the full 5 days of handwriting to get everything completed. Melanie was like many of us here at the fair today. Her parents, Nancy and John were workers at the fair as her mom worked in the office and her dad ran the Red Apple food stand for many years. She was the second generation of the family carrying on the tradition. It was good to see in later years her being able to sit in the evenings and enjoy the entertainment on the stage.

**Roger Young**

Roger Young was a quiet contributor to the fair but in life he was anything but quiet. Roger touched so many people in this community as a bus driver, coach, father and husband. Roger always had a smile and little chuckle that was at the ready for anyone. Roger left us just 2 weeks before the 2022 fair and even today as I write this it still brings a numbness to me. Roger was also quick to say, "if you need something, let me know." He also never wanted recognition for his contributions but just wanted to make sure that the Harmony Grange Fair would be able to continue on in years to come.

Each year as I have the task of writing the memorial page, I am humbled by the quiet behind the scenes people that contributed each year in their way to support the fair and to do what they could to make sure that The Harmony Grange Fair would be able to continue. I thank these folks families for allowing us to receive their generosity of time and talent at the Fair.

**Thank You, Shae**

## GENERAL RULES

1. All exhibitors agree to be bound by the rules and regulations of the Harmony Grange Fair.
2. The fair management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, and theft or otherwise, whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification.
5. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette. The fair reserves the RIGHT TO DETERMINE how many entries they will accept from an exhibitor in the same class, or, in the case of livestock, the same breed, and poultry, the same species. THE DECISION OF THE JUDGES SHALL BE FINAL IN ALL CASES except where mistakes, fraud, misrepresentation, or collusion not discovered at the time of the award is proved. In such cases, the superintendent, manager, or secretary of the fair or show; or such referee as he may appoint, may make the decision. The case may be appealed to the Fair management or Show Commission from whose decision there can be no appeal.
6. It shall be the responsibility of the exhibitor TO PROPERLY NAME THE ARTICLE OR BREED OF LIVESTOCK he is entering. Any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made for the second time.
7. **All entries must have been grown, produced, or made since the last fair by the person whose name appears on the tag as exhibitor.** Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.
8. Superintendents reserve the right to bar from competition animals, vegetables, flowers, poultry, products, and manufactured articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognition. The fair reserves the right to remove any exhibit not worthy of viewing by the public.
9. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
10. No exhibit may be removed at any time before the close of the fair except by consent of the Superintendent of the department and fair management.
11. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which shall be supplied by the fair free of charge.
12. DEPARTMENT SUPERINTENDENTS MAY ENTER EXHIBITS IN THEIR OWN DEPARTMENTS, but neither they nor any other exhibitor may communicate with the judges during the time of determining the awards, except to answer questions proposed by the judges.
13. All livestock offered for premiums must have been the property of the owners for thirty (30) days or longer. **Health papers are to be issued in the name of the exhibitor.**
14. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if in the opinion of the judges, the animals are worthy of such prizes.
15. Over fitting of cattle is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
16. When on exhibition in the ring, each animal must be under halter in charge of owner or employee. The fair will have stand-by attendants available during the youth judging or showing if there is trouble with the animals.
17. Joint ownership is considered to be as one owner in accordance with registration papers.
18. Intoxication, disorderly conduct, gambling and lewd or obscene conduct is strictly prohibited.
19. No unauthorized peddling will be permitted on the grounds.
20. No person will be permitted to act as judge of any class in which he / she may be an exhibitor.

21. In all departments, blue ribbons shall represent first place; red, second; white, third; yellow, fourth.
22. On all fair parking areas, the Harmony Grange Fair and its officers or agents, will not be responsible for any accident, loss, theft, or damage. Park at your own risk.
23. The fair reserves the right to construct its own rules, regulations, and to decide arbitrarily all matters in regard to formulate and enforce special rules for any conditions that are not covered by the list of rules and regulations.
24. While it is the desire of the Association to pay all premiums in full, should any contingency arise by reason of unfavorable weather or any other unfavorable cause whereby the receipts of the Association are insufficient to do so, then in that event, the right is reserved to pay pro rata in all exhibition classes after deducting expenses and the amounts so paid shall discharge all obligations of the Association for the current year.
25. **NO PETS ALLOWED ON FAIRGROUNDS, EXCEPTION FOR SERVICE ANIMALS.**

## LIVESTOCK HEALTH RULES AND REGULATIONS

All animals admitted to the fair shall be identified by a unique and permanent ear tag, tattoo, brand or records of unique physical attributes. Animals known to be infected with or exposed to any contagious, infectious, or external parasitic disease, and animals restricted by quarantine may not be assembled for show purposes. Animals presented for exhibition will be subject to inspection by show officials and will be rejected if evidence of infectious, contagious or parasitic disease is apparent or if health certification or identification documentation is not acceptable. All show animals should be held in isolation for at least 30 days after return to the herd of origin. **IMPORTANT: ALL HEALTH PAPERS MUST BE CHECKED BEFORE UNLOADING.** Be sure to use only grooming products that are approved for use on meat and dairy animals when fitting your animals for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat or milk. If you are not certain that a product is residue safe and approved for use on meat or dairy animals do not use it! **"IMPORTANT!"** If upon slaughter, treatment with drugs, biologics or any chemical from fitting products is the cause of condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor. Deadline for entries is shown in this Premium list under each department. Exhibitors must agree to display their animals as directed by the superintendent and will accept the stalls assigned by him or her. Livestock exhibitors should mail their entries to: Janet Whited, 263 Morris St., Northern Cambria, PA 15714 by Friday, September 1, 2023.

## GUIDELINES FOR CARE OF ANIMALS

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the show.

### a. Restraining Animals:

- I. Animals should be tied or penned in a manner that will not hurt the animal or restrict its breathing in any way.
- II. Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
- III. Animals should be tied so that they are not able to injure animals tied near them.
- IV. Animals unaccustomed to each other should not be penned together.

**b. Handling:** Any type of rough handling which could harm the animal is prohibited. The use of whips, canes and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.

**c. Bedding:** All animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.

**d. Feeding & Water:** Animals should be well fed and have access to clean water regularly. Realizing that many market animals must have restricted amounts of feed to maintain proper weight, animals must be fed adequate amounts of feed to, meet the animal's basic requirements. Animals not allowed reasonable access to feed and water will be disqualified from the show.

**e. Transportation:** Animals should be transported in a way that is both safe and considerate of the animal's well-being.

**f. Blanket/Sweat Collars:** Any type of material such as blankets or sweat collars should be large enough to permit normal body functions such as breathing, eating, drinking or lying down.

**g. Health:** It is the responsibility of the exhibitor to provide proper health care for their animals through routine inspection and consultation with health care professionals. The improper or illegal use of drugs or antibiotics is prohibited. If medication is indicated, be sure to follow the label directions and allow more than the stated withdrawal time.

**SR. VEGETABLES**

**Superintendent: Cindy Urgolitis 814-247-9277**

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market prices. Do not select the largest; select medium size specimens. Avoid mixing varieties.
2. These factors are generally used by an expert vegetable judge:

a. Trueness to variety type. Pick the specimens from one variety.

b. Uniformity in size, shape and color.

c. Pick out a perfect specimen; then select others as similar to it as possible. Never mix specimens or varying maturities.

d. Protect from dirt, disease, infection and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.

e. Condition and maturity. Be sure exhibits are of high quality.

f. Potatoes should not be washed. Remove soil using a soft cloth or brush.

g. Tomatoes should have stems removed. Carrots, beets, etc. should have top (leaves) removed leaving about two inches of stem.
3. Read premium material. Carefully follow all rules and regulations. If any entry calls for five specimens, exhibit that number; do not enter four or six. Your exhibit will be disqualified for having a number of specimens other than that stipulated.
4. All entries must be grown by exhibitor.

**CLASS 1.** Blue Ribbon Apple Pie Contest  
Premiums \$25, \$20, \$15

# BLUE RIBBON APPLE PIE CONTEST

## INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2023 EVENT

- Each county/local fair is encouraged to conduct a 35th Annual Blue Ribbon Apple Pie Contest at their 2023 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2024 PENNSYLVANIA FARM SHOW.

**RULES** for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. **Entrants may NOT have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2023.**
3. Entire entry must be **made from scratch**. No pre-packaged ingredients may be used (*ex: pre-made mixes, cookie dough, pie crust, frosting, etc.*) **All ingredients and decorations must be edible.**
4. Recipe **must include at least 60% apples in the filling**. It does not need to be a "traditional" two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2" by 11" paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the back side of all the pages. (*All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.*)
7. Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
8. Judging will be based on the following criteria:

Flavor.....	30 points
Filling: consistency, doneness, moistness & flavor.....	25 points
Crust: color, flavor, texture doneness.....	20 points
Overall Appearance .....	15 points
Creativity .....	10 points
<b>TOTAL .....</b>	<b>100 Points</b>

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crusted apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2024 PA Farm Show and will receive the Official Certification Form from the PA Fairs Special Baking Contest Committee.

**NOTE:** If an individual has already won 1st place at another fair in 2023 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2024 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

**FAIR PRIZES: 1st = \$25 2nd = \$20 3rd = \$15**

*First Place Winner is eligible for the 2024 PA Farm Show competition.*

**Premiums for the 2024 PA FARM SHOW competition**

**First Place - \$500.00 Second Place - \$250.00 Third Place - \$100.00**

Fourth Place – Rosette Ribbon Fifth Place – Rosette Ribbon

### JUNIOR VEGETABLES

Superintendent: Cindy Urgoliti 814-247-9277

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market prices. Do not select the largest; select medium size specimens. Avoid mixing varieties.
2. These factors are generally used by an expert vegetable judge:
  - a. Trueness to variety type. Pick the specimens from one variety.
  - b. Uniformity in size, shape and color.
  - c. Pick out a perfect specimen; then select others as similar to it as possible. Never mix specimens or varying maturities.
  - d. Protect from dirt, disease, infection and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
  - e. Condition and maturity. Be sure exhibits are of high quality.
  - f. Potatoes should not be washed. Remove soil using a soft cloth or brush.
  - g. Tomatoes should have stems removed. Carrots, beets, etc. should have top (leaves) removed leaving about two inches of stem.
3. Read premium material. Carefully follow all rules and regulations. If any entry calls for five specimens, exhibit that number; do not enter four or six. Your exhibit will be disqualified for having a number of specimens other than that stipulated.
4. All entries must be grown by exhibitor.
